

Private sale – MGBGTV8 in Red

Fairly standard factory 1974 MGBGTV8, but Red paintwork needs a bit of attention. Webasto sun roof. Been laid up since Covid, so not concours, something that I was working on until my health got in the way. Good runner & stopper. Has a few extras - twin 12v batteries, battery isolator, SD1 cyl heads (originals included), K&N air filters (originals included), uprated brakes - twin pot at front, Quaife ATB diff., recent tyres and a history file for last 30 years. Looking for offers around **£16,000**
