Thanks to Tony Smith and Ian Lindley for their hard work in planning and arranging the V8 Dales Tour 2025 which produced a wonderful event - both the routes and the very warm friendly atmosphere amongst the fellow members. Ian Lindley's support with his detailed knowledge of the North Yorks area produced some wonderful driving routes and interesting places to visit.

Market Place in Ripon - every night of the year without fail, a horn is blown at the four corners of the Obelisk in Ripon Market Place to set the 'watch' and then outside the house of the Mayor. This ceremony commemorates the time in the Middle Ages when Ripon's Wakeman was responsible for crime prevention in the city from 9 pm until dawn.

The Cabmens' Shelter - the Grade II listed shelter in the Market Place was built in 1911 and paid for by Sarah Carter, the daughter of a former mayor of Ripon. It has been restored numerous times over the years.
