Factory MGBGTV8 4 speed gearbox c/w overdrive - **gearbox sold**

In excellent working condition and fully reconditioned approx 30,000 miles ago with new bearings and main shaft. Now surplus to requirements as I am having Vitesse Global fit a 5 speed gearbox conversion to my MGBV8. Their comment was "you have a good V8 gearbox there, one of the best we have driven". £900. Also a V8 prop shaft to suit at £50. Buyer collects either from Vitesse Global in Hinckley (before the end of January) or otherwise from Bath. [Photos](#)
