### Private sale – exceptional condition MGRV8 in Oxford Blue

**MGRV8 (Oxford Blue 0851)** (1994) with the vehicle registration number M26 MGR. Repatriated to UK in 2011. Total mileage from new under 31,000 miles. Excellent 3 W's interior, bodywork, paintwork and cockpit. The Hoyle front and rear suspension upgrades with disc brakes and fully adjustable electric power steering have totally transformed the manoeuvrability and handling of this car. It is a joy to drive. Waxoyled, always stored in an insulated garage with smart charger and only used on sunny days out. With its unique number plate - M26 MGR - it has a hands-free phone on a Kenwood stereo radio and amplifier. It comes with full air conditioning, fog lights, immobilizer, spare keys, breathable car cover, toolkit, as-new hood, wind deflector and half tonneau. Oils have been changed annually. The car is presented on 17-inch Team Dynamics wheels; the original refurbished factory wheels (no tyres) are included, together with a space saver wheel. Valid MOT with no advisories whilst in my ownership. Plenty of documentation. Genuine reason of sale. Offered at **£25,500**.
