Photos clockwise from top left: **Page1**, John at a race meeting in the US, with Walter Kallenberg, enjoying a conversation with Brigitte Kallenberg and in the sunshine at MGLive! at Silverstone with Howard Gosling and Brigitte Kallenberg, **Page 2**: Walter Kallenberg in his racing helmet, John with a "wanted" advert, John's MGBGT V8 at Silverstone as he and Brigitte shelter in the lee of the V8 Marquee to get out of the cold wind that can blow across the former airfield and finally a typical sight as John enjoyed conversation and discussing ideas, here with Victor Smith at the Star in Sulgrave, a regular haunt for V8 enthusiasts attending the Club's annual meeting at Silverstone.
