

Zurich Dolder Classics meeting on Sunday 10th Aug 2014

Victor Rodrigues (V8 Register contact in Switzerland) reports "the Swiss-MGV8/IG was participating at the Zurich Dolder Classics Sunday where enthusiasts of all marques of Classic Cars were also invited to attend. Although this time the weather was not Summer like! Two very specials LHD MGBGTV8s - 0100G owned by Eric Prasse and 0101G owned by Fritz Gertsch - were very much admired."
