

## Annual British Car Meeting at Mollis- 2014

Victor Rodrigues ((Swiss-MGV8/IG Group) reports the "Annual British Classic Car Meeting celebrated its 20<sup>th</sup> Anniversary on Sunday 24<sup>th</sup> August 2014 in the traditional area of the military airport of Mollis. Although the weather was wet and cold, hundreds of cars showed up including some Swiss-MGV8/IG friends with their MG V8s. Fortunately by noon the weather improved turning dry and even sunny! The traditional Pipers-Band parade completed a very enjoyable meeting with a very nice and friendly atmosphere."
