

Factory MGBGTV8 in Bracken

Chrome bumper Factory MGBGTV8 in Bracken built in November 1973 (eligible for VED exemption) – an exceptional low mileage two owner example is likely to be on offer in the first quarter of 2015 from a longstanding owner. The car has not been used on the road for some time now. Owner purchased the car new in 1975 although it had been built and dispatched from the Factory in November 1973 and invoiced to a distributor who had stored it because of the petrol rationing situation that arose in 1973. Any enthusiast interested in getting a good MGBGTV8 can register their interest which will be passed to the current owner. Contact the [V8 webmaster](#)
