**New traffic management system ensures
quick entry to the event**

Email received from the organisers of the MG-Triumph Show 2016 at Stoneleigh

Fans of Britain's two most beloved sportscar marques have much to look forward to ahead of the International MG and Triumph Spares Day on Sunday 21st at Stoneleigh Park, Coventry, Warwickshire.

More than twenty MG & Triumph car clubs will be exhibiting at the event meaning whatever your preference your most likely to find it represented at the show. Owners and experts will be on hand to offer advice and answer any questions you may have.

Alongside specialist traders for both marques, the show will host a wide selection of autojumble, automobilia and cars for sale. Whether you're after a part, a project or a poster, you're bound to find it on sale at the show.

Regarding day visitor traffic management we have invested in a larger car parking team that will allow us to open two vehicle entrances as opposed to one. This way people will gain access to site much more quickly and efficiently. Gates in use dependent on your direction of travel are the main entrance to Stoneleigh Park and Gate 3, please follow directional signage accordingly.

We do hope that you will be joining us again in what we believe will be a superb show for all involved.

Advance tickets can be bought at www.mgandtriumphsparesday.co.uk/day-tickets/ and cost just £9*, while classic car fans aged under 15 get in free. Tickets will also be available on the door, priced at £12 per adult, with free on-site parking. For more information visit the show's website at www.mgandtriumphsparesday.co.uk.
