

# MGCC CALEDONIAN CENTRE

# TWEED VALLEY 25

Saturday 29th April to Monday 1st May 2017

In 2017 the Caledonian Centre will be 25 years old and we will hold a number of events to celebrate this....

Our annual May 3 Day Tour will be extra special! Based in Peebles in the beautiful Borders area the event is entitled 'Tweed Valley 25' and will start on April 29th and finish on May 1st.

As traditionally the event is well supported by our friends over the border we have decided to offer two start points! The one in Scotland will be from the Radstone Hotel which is adjacent to the M74 (post code ML9 2TZ) and the English one from Vallum Deli Farm Shop near Hexham (post code NE18 0LL). Both routes will converge on Kelso around lunchtime and then meander to the 4 star Cardrona Hotel in Peebles where we will be based for two nights.

Saturday evening will be a relaxed buffet meal with some light entertainment to enable you to relax!

The Sunday run will take us on a trip through the Tweed Valley towards the source of the Tweed and then across to Tweedsmuir and through Megget Water valley with lunch arranged at the Dryburgh Abbey Hotel, thereafter heading back to Peebles.

## The Sunday evening will be SPECIAL!

Although the Caledonian Centre is only 25 years old the MG Car Club has been active in Scotland since the 1930s and to mark that Sunday night will be a 1930s Theme Night with a 4-piece jazz band playing.... So look out your cigarette holders, long gloves and flapper dresses! The guys can come as well! There will be lots of prizes for all sorts of things so it will be a great night!

After a good sleep, on Monday morning the routes will take us down through Jedburgh to the final lunch at Manderston House near Duns.

Peebles Church and the River Tweed

Floors Castle

For those who don't want to do extensive driving, shorter routes on each day are available or simply enjoy the Cardronna Hotel facilities! But the whole area has much to offer, wonderful scenery, castles, stately homes, museums, motor sport history, great driving roads and much else besides!

We are particularly keen to encourage back older cars as they featured strongly 25 years ago ... but ALL MGs are welcome!

**Demand for this event is always strong so please book early.**
