Did you know...?

We issue around
10 million
driving licences
every year

Last year, we handled
around 1 million
applications for a
first driving licence

There are over **45 million**
driving licence holders
in GB

We issued
over 3 million
licences through our **online**
driver **licensing** service
last year

Over 15 million
driving licences have
been issued via our
electronic service
since it
went
live in
2007
