Arrival at Blenheim

The gates to Blenheim will open at 9.00am – please do not arrive early as it will be quick to enter and there is plenty of parking space.

The marshalling of the entry and the parking areas is headed up by a very experienced crew from Epsom MGOC, ably assisted by volunteers from Oxfordshire MGOC and the MGCC Abingdon Works Centre

The parking will be in three areas. The main area will be for MGB and all derivatives (MGB, MGB GT, MGC, MGC GT, MGB GT V8, Costello MGB and RV8 **only**). The cars will be parked as they arrive - not by type. The second area will be for **all** other MGs. The third area will be for non MGs.

There will of course be an area set aside for blue badge holders.

The Days Event

The plans for the day have been agreed and the final polishing touches are being added. There will be plenty to see, technical talks to attend, a timeline of MGB production, arena activity, celebrity interviews, Rocker Box Racing, self judging Concours along with a host of specialist MG Trader's displays.

MGB 50 Merchandise

A special limited edition MGB 50 mug will only be available on the day as well as the already announced MGB 50 Souvenir Books and MGB 50 badges

MGCC Centres/Registers and MGOC Area Clubs

Any MGCC Centre/Register or MGOC Area Clubs which want to be represented at the event will have space allocated. Please let your respective club know in advance so that we can plan the requisite amount of space.

Volunteers to assist on the day will of course be very welcome – please let us know via enquires@mgb50.com .
