

“British Invasion” classic car event at Stowe, Vermont

Victor Rodrigues, the V8 Register's contact in Switzerland, enjoyed fantastic weather and views with autumnal colours in the forests of Vermont during his visit in September 2010. When visiting Stowe he attended a great classic car event, the twentieth “British Invasion”. The 980 cars on display included many British marques - Jaguar, Austin Healey, Lotus, Morgan, Bentley, Wolseley and hundreds of MGs.
