Dear Help for Heroes Volunteers,

### **Donation following the auction of an exhaust manifold**

I am pleased to enclose a cheque for £164 as the amount of the highest bid when the above spare part was put up for auction on the V8 Register's website. The V8 Register is the leading members' group for MGV8 enthusiasts and is a branch of the MG Car Club based at Abingdon in Oxfordshire.

The exhaust manifold was generously donated by a former owner of an MGBGT V8, James Marsh, who was pleased to see it offered to fellow members by way of an auction with the proceeds going to the Help for Heroes charity. You can see details of the auction and of the bidding, which closed on 31<sup>st</sup> October 2010, at:
