

Franck Morand – photos from a French V8 enthusiast at the Le Mans Classic

Franck Morand met up with two French V8 enthusiasts at the Le Mans Classic event, one living very near le Mans, **Laurent Rivière**, with BRG 0914 (right in the photo above).

Franck Morand, a longstanding French MGBGT V8 enthusiast who is based in Thailand, has sent in some photos from his recent trip home to Clermont- Ferrand. Here are some of a preliminary set of his photos.

(Top right) He made a visit to the Le Mans Classic event where he met up with many fellow V8 enthusiasts including Tony Lake.

Over the weekend Franck experienced cooling fan difficulties which seemed to be a linked to a wiring problem which he is having sorted by his local MG mechanic in Clermont- Ferrand.

The **MG SV** seen at le Mans Classic was the latest purchase of one of the Doucet brothers from Gstaadt in Switzerland. He mentioned to Franck that it was the last one to complete their collection. The registration plate is for the Canton de Vaud.

Franck met up with Barry Sidery-Smith who was driving his MGB in the Le Mans Classic event.
