

Epic China to Longbridge Route by an Australian Group

"Macca" McCleave from Victoria in Australia with his MGBGTV8 that made the long route "along the Silk Road" from China. The Australian party arrived on the cross Channel ferry at Portsmouth on Friday 16th July and set off on Saturday morning to drive from Southsea to their overnight stop at the Dog House pub near Abingdon.

Parked Note Macca's ingenious registration plate on his V8 - **CH2LON** - **CH**ina to **LO**ngbridge

Epic China to Longbridge Route by an Australian Group

Michael Brett from South Africa joined the Australian group in Italy in his Damask MGBGTV8 which he recently bought in the UK.
