

Private sale - low mileage Factory chrome bumper MGBGT V8

Tundra 0946 with only 9,300 miles and completely original, never been restored, dry garaged and taxed with a current MOT. Fitted with a stainless steel replacement exhaust system and a replacement electronic fuel pump. The Dunlop composite wheels are in reasonable condition and the paintwork is good with a few blemishes. Regularly serviced, originally by the late Geoff Allen, but still on the original tyres which will need prompt replacement! Octogenarian member with a Tiger Moth to maintain feels it must go. Offers in the region of **£11,000**. (19.4.10)
