

Private sale – UK spec RV8 in Le Mans Green

Le Mans Green 0376 (93) purchased by me from the original owner in 1999. With 47,000 miles and always kept in dry garage. Only 20 cars were made in Le Mans Green costing an additional £700. FSH and all receipts and MOTs since new. Maintained regardless of cost by MG Rover dealers, Maidstone Sportscars and latterly by Fisher Services in Sydenham. All usual trouble spots attended to: replacement (and waxoiled) MG Rover windscreen surround, refurbished wheels, carbon fibre radiator cover, new front and rear springs and poly bushes. Wheel cylinders, clutch master and slave cylinders replaced recently. Radio cassette replaced by radio CD player. Bodywork beautiful, perfect burr elm, just a few touched-in stone chips on bonnet and chafe mark from seat belt on half tonneau but perfect full tonneau included. Will email any extra photos or close-ups as requested. Original owner's handbooks in wallet, original tool roll and tools, workshop manual and parts list. Peter Best insurance agreed valuation £15,500. Drives like new, will sell for **£12,995**. 240711
