

Private Sale - low mileage RV8 with working aircon

Woodcote Green 0909 built 19 July 1994 and first registered Japan 7 December 1994 (one lady owner). Re-imported by Chris Watkins of HS Imports.com Ltd in February 2004. The car was awarded Grade 4A at auction in Japan. Most imports are Grade 4, which means a good, standard, straight used car. Grade 5 is as new. On a car of this age, Grade 4A was as good as it gets.

Japanese service history, along with English translation. Original speedo (18,101 Km - 11,247 miles) available. Now with UK MGR registration and one owner having covered an additional 7,500 dry miles.

- Speedo and other dials have optional chrome bezels.
- Unused spare wheel.
- Half tonneau hood cover.
- Warning flare and triangle.
- Tool roll and tools.
- Over-mats.

- Original Japanese spec radio
- Original Owners Handbook, Maintenance Manual, Audio Hand Book and Sales Service Network book complete with green leather wallet.
- Both sets of keys and remotes.
- All correct papers.

Stored in dehumidified garage. Draper Battery Master battery conditioner. Classic Additions custom made indoor car cover with MG logo. Starter motor replaced by H S Imports. Battery replaced 2010. Very original car. Well looked after. Wood remains dark and un-cracked. Leather clean and unmarked. Working aircon. Rust free. Taxed until February 2011, MOT until May 2012. Peter Best agreed valuation £17,000. **£13,750** 090811
