

Private sale - reimported RV8 in Woodcote Green including original Krafthaus Hard Top

Woodcote Green 1276 (1995 M) Japanese specification with 26,000 miles. Owned by me for the last four years and always kept within a heated integral garage on a trickle charger. The hard top has a protective stand for storage and also an unused wiring loom. Included in the sale is half tonneau cover with brackets, a matching RV8 leather bound wind stop, an elm burr gear knob, Motalita steering wheel, original radio and CD changer, RV8 over mats and an RV8 dust cover. In my ownership the car has had four full services and it has also been waxoyled. I have covered approx 6,000 fair weather miles for shows etc. Works carried out by Clive Wheatley include new bump stops, full set of Koni uprated shocks, set of sports leads and all oils changed. All spares have been sourced either by CW or B & G. MOT to April 2011 and taxed to January 2011 with large maintenance folder and two sets of keys with two original alarm fobs. Much cherished car, reflected in its excellent condition. The car also comes with a private registration number. Medical condition forces sale. **Price £13,500**

Private sale - reimported RV8 in Woodcote Green including original Krafthaus Hard Top

May consider selling the hard top but would rather it was sold as one lot
