

Private sale – exceptional low mileage RV8 with power steering

Woodcote Green 1470 (95) with only 8,247 miles from new and hydraulic power steering with a full photographic installation history. Reimported in 2006 with a full service history and bills from new including a translation of the Japanese history. All new Koni shock absorbers from Clive Wheatley together with new bump stops, all new HT leads and distributor cap and rotor arm, advance and retard adjusted to UK spec, new Goodyear NCT5 tyres fitted when purchased, all wheels refurbished by the "Spit & Polish" Company, new German wind stop purchased, new steering wheel with original available as spare, original toolkit, Heritage certificate, original km speedo and new original MG full tonneau cover. Car has never been out in wet conditions in the UK. Photos of this car were used for an article in Enjoying MG magazine. Car cover from Brown & Gammons plus many small parts from Clive Wheatley, full workshop manual and handbook plus workshop notes. Depending on the price agreed for the car I can include a very rare RV8 original key fob. I doubt you will find an RV8 with this mileage and condition at this price. Insurance valuation agreed with Peter Best Insurance Services is £16,000. Personal numberplate not included in the sale. Reason for selling is sadly my spine has decided the RV8 is no longer for me, **£14,750 ovno** 110811
