

Red V8 Roadster on offer at MG Mecca has been bought by an MGV8 enthusiasts

The red V8 Roadster on offer for a few months at MG Mecca in Norwich is reported to have been bought by Derek Sarjeant. He has made contact with the V8 Register and says the car is "fitted with the 3.9 injected engine and large parts of the RV8 running gear. It has RV8 front suspension and brakes and a limited slip diff. Not sure yet which rear axle but it has single leaf springs and steady bars). It also has the RV8 dash and interior trim fitted, except for the seats which are classic style." The car has been registered as a V8 Roadster conversion, Red 4513. 290911
