

If you've just bought a Reliant Scimitar GTE, a Datsun 240Z or an Alfa Romeo 2000 GTV, this will ruin your day.

At 124 mph, the new MG is practically
the fastest thing on four wheels up to £3000.

It does 0-60 in a brief 8.25 seconds and
reaches its legal cruising speed in 12 seconds.

It has a light alloy, 3.5 litre V8 engine
which gives 137 b.h.p. at 5000 r.p.m., and
193 lb. ft. of torque at 2900 r.p.m.

The lightness of the engine, the uprated
suspension and wide radial ply tyres give the
V8 outstanding handling characteristics.

It has Laycock overdrive, brake servo,
alloy wheels, twin electric cooling fans, tinted
windows, head restraints and MG pedigree.

All as standard.

The new 124 mph MGB GT V8
