

## V8 Register at MGLive!

MGBGT V8 display in the Club's Main Marquee celebrating the 40<sup>th</sup> anniversary of the launch of the model in August 1973.

Walter and Brigitte Kallenburg had driven in their MGBGT V8 from Essen and Kai and Jan Knickmann from Stuttgart.

Left: the V8 Marquee at MGLive! is a welcome meeting place for V8 enthusiasts over the weekend and often a refuge from the wind and rain that can blast across the old airfield's plateau.

Top left: the MGBGT V8 on display was very kindly provided by fellow V8 member, George Eagle.  
Below: Malcolm Bailey's police demonstrator was on display.
