

MGV8-50 Anniversary at the Mercure Hotel near Gaydon

Gemma Grose says "Made it, despite my sat nav deciding I really DID want to go to the Walton Hall near Warrington. Cunningly I became a V8 sandwich. Note to self: Hoping the car in front isn't heading to Warrington!!"

Howard Gosling's LE is the 2nd one in on the second row.

And the shot that I think we all took. It was set up by Ralph Hardwick. Thank you Ralph.

Very nice evening is the bar afterwards, just nattering in an informal atmosphere. It really worked.

I believe some of our group took advantage of the swimming pool but I didn't see any one returning to their car in a towelling bathrobe
