

Lunch at Hook Norton Brewery cafe

Friday 9th June 2023

This popular annual informal lunch has been held for well over 20 years in Hook Norton on the Friday of the MGLive! weekend.

Early arrivals sitting in the sunshine alongside the tower brewery enjoying the refreshment of a cool Hook Norton beer. Their alcohol-free beers are very good and a safer bet when you have to drive after lunch. Left to right: Tony Smith (V8 Chairman), Victor Smith (V8 Webmaster) and Martin Selwyn (MG RV8).
