

Private sale – Factory chrome bumper MGBGT V8 in Concours condition

Private sale – Factory chrome bumper MGBGT V8 in Concours condition
MGBGT V8 (Teal Blue 0528) was first registered in April 1974 and is a Factory chrome bumper car which was restored to Concours condition in 2013/14 and has been maintained in that condition. The restoration was done by Halls Garage in Bourne, Lincolnshire with the emphasis on quality and originality. Winner of the concours at MGLive! 2015 and Car of the Show and Premier Class winner at MGLive! 2016. It was also voted best concours MG and Car of the Show at the MGOC Northern National event. Trophies will be provided with the car along with a variety of original spare parts. A full photographic record of the restoration is available in a book and on a DVD along with every receipt for parts and the work done from 2013 to date. See article on the car in the December 2019 edition of Safety Fast! [Link](#)

I have owned the car since 2018 and it has been meticulously maintained and serviced with limited dry use only. Mileage 41,260 (believed genuine). Heritage Certificate. Just serviced and has a 12 month MOT with no advisories. Kept covered and connected to a smart charger in my garage. **£36,950**
