

Private sale – RV8 in Woodcote Green

MG RV8 3.9 Woodcote Green 0571. 63,800 miles, built in July 1994 reimported from Japan in 2001. Stone leather interior with three previous owners. MOT till April 2026. Meticulously maintained and serviced annually with full UK history file & documentation. Bodywork and paintwork, (a few very minor light scratches / stone chips), carpets & upgraded leather seats and cockpit leather trim have been replaced professionally. Wheels and under bonnet engine bay are all in excellent overall condition. It is in full working order with no known faults. Additional upgrades fitted include EZ electric power steering, Spax adjustable shock absorbers, electric cooling timer fan, chrome roll over bars, S/S exhaust and Tornado chip engine tuning enhancement. Replacement mohair hood, half tonneau, matching windstop, Sony radio/CD player with DAB tuner, spare keys and cherished number plate **K77 MGR** included. Always garaged with summer use only. A very reliable powerful V8 engine and superb to drive. Always attracts attention and interest from admiring car enthusiasts. Three previous owners prior to me after I purchased it from a private seller known to me in Oct 2022. No expense had been spared by the last owner in completing all the relevant upgrades to a very high standard professionally. Replacement clutch fitted and replacement battery in 2025. A beautiful example of this model that is a delight to drive and will no doubt be driven and enjoyed by its next owner. **£20,950 ovno**
