

## **V8 Events and Tour Co-ordinator AGM Report 2022**

Due to Covid-19, a large number of planned MG Events were again cancelled in 2021.

Ian Quarrington managed to eventually get his twice postponed V8 Kent Tour, to take place last year. This was a great success and obviously enjoyed by all participants. My thanks go to Ian and Debbie Brading for all their help to organise and manage this successful V8 Tour.

### **2022:**

Tony Smith has stepped forward to offer a V8 Scottish Borders Tour 2022. A sincere thank you to Tony and Lorraine Noble-Thompson, for getting this event out of the starting block.

Bookings are steadily coming in. Tony reports great support from sponsors.

The event will be based near Peebles, in a fine hotel. The Tour will visit the Scottish Borders, including the Jim Clark Museum.

#### **Annual V8 Tour**

The usual V8 Tour will depend on whether a V8 Member steps up to run the Tour.

Please talk to me if you would like to consider running a V8 Tour in 2023
