showing how to reach the Hook Norton Brewery

Book your table for noon or 12.15pm [Booking link](#)

### Parking at the Brewery is limited to approximately 30 cars

We understand the T Type Register has a group booked for lunch at 12.30pm so it is likely with other visitors, parking at the Brewery may be tight. Our suggested alternative is to park on the side of the triangular green facing the Pear Tree Inn and then walk down the Brewery Lane to the Brewery's Visitor Centre.
