

# MG100 Cavalcade – John O’Groats to Land’s End

📅 30th April - 25th May

The information about this event has appeared in the March edition of Safety Fast! It will take place between Tuesday 30th April and Saturday 25th May.

As we continue the celebration of 100 years of MG in 2024, for the enjoyment of members throughout the country our goal is to link all regions of the UK and all parts of our Club in celebrating with a Centenary led expression of the ‘Marque of Friendship’. The plan is to achieve this by way of a series of road runs all the way from John O’Groats to Land’s End.

The whole Club is uniting in this endeavour so that a very appropriate MG 100 baton can pass from one end of the country to the other, involving as many members as possible.

## Participation

This is your chance to take part! Please follow the links below to the relevant Centre website for the leg(s) you wish to take part in to register your interest. Entries are being handled locally by the Centres in managing the local element of this fun MG

100 event.

Should you plan to be one of the intrepid end-to-enders who in celebration of 100 years of MG will enjoy the entire event, then [please get in touch with Rob Constant](mailto:rob@littleabingdon.co.uk) on [rob@littleabingdon.co.uk](mailto:rob@littleabingdon.co.uk) to express interest.

Similarly, should you wish to do more than just the one local Centre leg, then again [please contact Rob](#) so we are aware of your multiple entry intentions. The success of this venture depends greatly on the communication between members, Centre organisers, the Cavalcade organising team and the MG Car Club. Don't delay – consider your plans now!
