

Publications for Sale – brochure for the Krafthaus Hardtop

THE **Krafthaus** MG RV8 HARD TOP

Styled to complement the elegant lines of the RV8 this high quality Hard Top from Krafthaus will enhance your driving pleasure and enjoyment all year round. It is light and spacious with improved noise levels and head room over the standard Soft Top.

The interior is finished in West of England type cloth and leather piped in a choice of colours. The quality is further enhanced with an interior courtesy light and heated glass rear screen.

The exterior is finished to the highest quality standards (with full six year paint warranty) which can be colour coded to your own car or supplied in standard white, it offers excellent weather protection in hot, cold or wet conditions.

It will fit your car without modification in standard form, though it will require fitting of the harness supplied to give the full benefit of the interior light and heated rear screen. It can easily be fitted to the car in a matter of minutes by two people and there is no need to remove the Soft Top.
